Counseling Experience

Shallowford Falls Elementary School

Cobb County School District

Practicum Student

January 2026 - May 2026

- Led and co-led individual and small-group counseling sessions to elementary students addressing friendship challenges, coping skills, kindness, and peer relationships
- Led and co-led classroom lessons concerning emotional regulation, friendship skills, career pathways, and academic concerns
- Collaborated with the counseling team and administration to adhere to the comprehensive school counseling program

Core Values

- I believe in advocating for and implementing a comprehensive school counseling program that addresses the unique needs of all students and provides them with access to opportunities for growth and development
- I believe that all children have the potential to learn and succeed with the necessary supports and empowerment
- I understand that collaboration with educators, administration, parents, and community partners is essential in promoting the mission and success of the school and school district

Alexandra Harrison
